SOBHA

Siniya Island

Untouched.
Undiscovered.
Unrivalled

Where the allure lies in what remains wild and free.

SOBHA
Siniya Island

SOBHA SINIYA ISLAND

DISCOVER YOUR NATURAL HABITAT

Sobha Siniya Island stands as one of the UAE's precious natural gems waiting to be explored. Cocooned by the azure waters of the Persian Gulf, this island boasts diverse habitats ranging from pristine white sand beaches to lush mangroves decorated by a rich tapestry of unique wildlife including gazelles, oryx, flamingos and rare turtles.

COMMUNITY FEATURES

- A residential community where apartment living merge with the natural island to balance the lifestyle
- A leisure community with multiple passive & active water activities, along with active beach promenades
- An ultra-luxury island development with panoramic views of the natural seawater lagoon & sea
- The development contains several multi-use towers of varying heights from 2 - 10 stories
- This residential development comprises of 574 apartments and 12 retail units
- The development would rise to be an important architectural marvel in Umm Al Quwain
- A unique lifestyle environment which shall include state-of-the-art indoor and outdoor amenities
- Strong sense of Place, Peace and Well-Being
